## COMPLETED CAMPAIGN & TESTIMONIAL

### PERIMETER CHURCH (Duluth, GA)

"First of all, a heart-filled thanks to you and your team. It could not have gone any better. Although we are a church that has all the resources in-house to cover a campaign of this size, we were all completely covered with our day-to-day efforts. I needed a team that required very little ramp-up time, one that was already well-versed in the area of capital campaign promotions. What I discovered was a team of highly qualified experts with an attitude of service and work ethic that makes the Eveready Bunny look like a slacker. In one meeting your team was able to grasp the scope of our campaign, and in days present us with several options. You were quick to make adjustments, and with great zeal you made every deadline and then some. I can honestly say, if it were not for the knowledge, experience, talent and tenacity of your team, there is no way we could have had such a coordinated and visually strong campaign package. Again, it was such a pleasure working with such an expert team. I thank you for sharing your many gifts with us so that we, in turn, can give back a great deal of resources to our community. You were so selfless throughout the entire process. Thanks for the many long hours and extremely quick turnaround."
